Services on May 28 – 30, 2015.

The Nakuru edition promises some very cool guest that residents of that famous town can enjoy. They include Swahili Authors **Wallah bin Wallah** and **Ken Walibora** who will speak to educators and general audiences on writing in Swahili and teaching Swahili literature effectively.

Apart from these Swahili gurus there will be **Kinyanjui Kombani**, **Auma Obama**, **Wangari Grace**, 13 year old **Joseph Bokea** and a whole host of others. You can download the full programme to [see who will feature here](#).

If you are in Nakuru make it to the National Library. You won't regret it. I hope.
